Ministry Partnership Questionnaire

Thank you so much for inquiring about partnering together at your event. Isn't it amazing to think that God may have been working to bring us together even before now? He is about to work in a great way, and it would be wonderful if we could share in that together!

Having planned many events, I know how important it is to find a speaker who will prayerfully prepare and come with a full heart and truth-filled message. I love to share the truths of God's word interwoven with personal illustrations that connect with the audience and help each woman see God's answers for her life. My desire is to minister to people on and off the platform.

While I have many themes I have used before in ministering to groups, my goal is to craft each message in a fresh way unique to your event and the people God has given you. I look forward to hearing more of your heart and more about those you shepherd, so I can prepare and serve you well.

My family is gracious to support and encourage opportunities for me to minister to groups away from home. I have learned that I do need to ask groups to cover expenses of coming to be with them (transportation, lodging, meals). Because of the time needed for preparation and partnering, I have included information about suggested honorariums on the Book Information page. I do not make a decision to come serve you solely on the amount of honorarium, so please do not let finances keep you from submitting a request for an event.

Upon completion of the Partnership Agreement, an event will be considered confirmed. At that point, I will begin to pray, study, prepare and anticipate our time of serving together!

To submit a speaking request, please provide the following information:

1. The name of your church/group, along with a website address or copy of a doctrinal or mission description
2. Date(s) and location for the event
3. Name and goal of the event
4. Anticipated number and basic profile of those who will attend
5. Closest major airport and event location's distance from the airport (if applicable)
6. Your expectations/needs for me in serving (how many times I would speak, how long I would speak, any other unique needs)
7. How you became familiar with my ministry

Upon receipt of this information, we will prayerfully consider serving you and get back to you as soon as possible.

Much peace,
Julie Sanders
